

As Victoria's second largest children's hospital we admitted 27 143 children as inpatients, treated over 47 000 children in our emergency departments, cared for over 1 195 premature babies in intensive and special care units as well as treating over 300 children in the Children's Cancer Centre.

Fundraising and donations enable Monash Children's to buy additional equipment, and to upgrade existing equipment as well improving facilities and the overall hospital environment.

Your generosity is appreciated by everyone at Monash Children's and the many young Victorians who come to us for care.

*All donations of \$2 or more are tax deductible and an official receipt will be sent to you.
Please use the form below to make your donation.*

My gift of \$ _____
